Crescent 22oz Steel Milled-Face Framing Hammer Named Golden Hammer Award Winner

Apex, NC— Crescent Tools is honored to announce that our 22 oz Steel Milled-Face Framing Hammer has been selected as a 2023 Golden Hammer Award winner. The Golden Hammer Awards have a long tradition of honoring the best-of-the-best of home improvement through HBSDealer. This recognition underscores our commitment to excellence and innovation, but most importantly, our commitment to allowing our users to work smarter, not harder on the job.

Check out the “Golden” honorees in the March 2024 edition of HBSDealer, [featuring Crescent Tools on page 23](#).

“We are incredibly proud to receive the Golden Hammer Award for our 22oz Steel Milled-Face Framing Hammer,” said Kevin Burnet, Sr. Product Manager, Crescent Tools. “This award is a testament to the hard work and dedication of our team, who continuously deliver innovative new products that improve the user experience for construction trade professionals.”

Crescent Tools show our commitment to continuous improvement through the innovative technology within our hammer program. Our innovative technology, VibeGuard, reduces vibration by 70% to increase safety and overall productivity on the jobsite.

Built with revolutionary technology, Crescent Tools has a hammer for every tradesman, no matter how tough the job. Find your next hammer at The Home Depot, or your closest hardware or industrial supply store.
