

CRESCENT

Tradesman Shears

Crescent shears are the ultimate pair. Delivering on durability and versatility, they provide effortless, clean cuts through an expansive range of materials.

CRESCENT

Tough gets the job done.
Smart gets the job done right.

Durability & Versatility. The Ultimate Pair.

Crescent's heavy-duty tradesman shears are designed for ultimate versatility and durability. Their serrated blades bite onto even the slickest materials. With anti-rust titanium coating, a full metal core, and razor-edge blades, they offer dependability and deliver powerful, precise cuts.

Heavy-Duty Titanium Tradesman Shears

Comfort-Grip Handle

Handle design optimizes contact points to increase control and comfort

Full Metal Core

Provides increased leverage and durability on heavy duty materials

Razor Sharp Blade

With hardened blade edges for clean cuts and long life

Anti-Rust Titanium Coated Blades

Coating provides corrosion resistance, smooth cuts, and extreme durability

Serrated Blade Design

Serrated bottom blades grip material for increased control and sharp cuts

Heavy Duty Titanium Coated Spring Loaded Tradesman Shears

Anti-Rust Titanium Coating
Provides corrosion resistance, smooth cuts, and extreme durability.

Serrated Bottom Blade
Grips material as it is being cut for increased cutting control and cleaner cuts.

Spring Loaded Design
